

ONE body, ONE day, ONE thing-

February 28th, 2010 4-6:30pm

District Youth Rally/Immanuel United Methodist

Pastors, Youth Pastors, Ministers, Volunteers, and/or the Volunteered,

We as the Covington United Methodist District are going to gather together as the body of Christ on Sunday evening, February the 28th for a time of fellowship, reflection, and worship of and to our King Jesus. This is a great opportunity for our students to intermingle and corporately celebrate their faith in an environment suitable to their needs. Let us not miss this chance to enact out faith together as the district.

Immanuel United Methodist Church has volunteered to host this event; they are located in Lake Side Park on Dixie Highway. We will have pizzas afterword for you and the students to feast upon as we grow closer as a fellowship of believers and as the family of God. Please post the flyer in your youth room and Church, include them in your newsletters and bulletins. Dedicate to be there with your students on the occasion.
