

**IHN**  
**INTERFAITH HOSPITALITY NETWORK**

IHN is an organization that strives to keep homeless families together by providing shelter, food, clothing, and education in job training, parenting classes, and financial planning. Churches all over Northern Kentucky participate by housing and feeding these families. Our Alexandria United Methodist Church supports Butler United Methodist Church in Butler, KY. Four to five times a year, families approved by IHN are cared for at the Butler church. Our church provides a spaghetti dinner on Wednesdays of those weeks. We arrive at 5PM to serve our dinner, eat and visit with the guests, and clean up afterward. We are usually finished and saying good-bye about 7PM. If you would like a deep and delicious blessing, please contact Mary Shearer at 635-1942. Our next dates are:
